Checklist order:

You or your dentist make a perfect impression (mold) of your teeth.

Completely fill out order form.

Send mold and order-form to the above address.

Make your own design and we will see what's possible to satisfy you,
do not make it complicate, just see our already sold mouthjewels.

Use the teethform below for your drawing (design).

When accepting your order you are agreeing that you are satisfied with the design and fixing. Do not send back the jewel to change the design or fixing.

If not sure about your handling to have your mold, contact your local dentist!

No refund, return, exchange, substitute or cancellation on mouth-jewels and starter kits (mold).

See Policy of the mold!
